### EXPERIENCE

#### **Adappt — Owner, Full Stack Web Developer**

January 2018 - Present

I work with small business owners to create or re-create their business website or mobile app(s).

#### **Navitaire, SLC, UT — Software Developer**

December 2016 - October 2017

Full stack web developer for airlines. Created beautiful and functional front end UI with **MDL** and **Angular 2** and maintained backend services & API including the use of **Node** and **C#**.

#### **Oracle, Lehi, UT — Technical Analyst, Japanese Speaking**

April 2016 - Nov. 2016

Used SQL to maintain databases and data-centers that service hotels and restaurants in North America and Asia.

#### **Best Buy, Orem — Customer Service Specialist / Computers dept.**

August 2015 - January 2016

Seasonal position to assist customers with purchases, technological products, and helped customers identify the most suitable computer products for their use cases.

#### **LDS Mission, Kobe Japan — Missionary**

August 2013 - August 2015

### EDUCATION

#### **Utah Valley University, Orem, UT — Bachelor's Degree of Computer Science**

August 2015 - Present

#### **Utah Valley University, Orem, UT — Associate's of Science**

August 2011 - April 2013

Graduated with my associate's degree at age 17, also while attending Utah County Academy of Sciences in Orem.
